A New Series...A New Bible

This fall your PMT wants to lead you into a period of time in which we all study the scriptures together. We're calling our series: **A Season of Reading: Walking Together in the Word**. We're going to start at the beginning of the Bible and over the next 18 months we plan to read through most of it. To help us in this task we want to give **each household** a new study Bible. We've been using this *NIV Student Bible* for a couple of years in Catechism class, and it has been very well-received and appreciated. It includes many study aids and tools. You may have never seen a Bible like this one. We ask that you take a Bible for your household, and give us \$25 to defray the cost. And then we want to get reading together! In the next 2 weeks we'll be introducing a Bible reading plan that will guide our reading together.

Church Education ...

Sermon Related Questions for discussion.

1. What gives you a deep joy that is almost impossible to describe?
2. Do you agree or disagree that the fear of "dark" is intrinsic?
3. Is the church a place where we find both joy and dark? Do we identify either or both? How?
4. Is there something to the statement that singing in harmony contributes to our peace theology?

Church in Action ...

German Service

Sunday, September 13, 2015, following the worship service.

Come and join in a time of singing the most familiar German hymns with Kurt Schachowskoy accompanied by Martha Janzen.

Small Groups...

Going Deeper in Faith and Friendship

At LUMC we value community and the kind of relationships we can have as brothers and sisters in Christ. There are more than 20 small groups in our church that are designed for this purpose. Our small groups come in all shapes and sizes and include Bible study groups, book clubs, discussion groups, support groups, and friendship groups. Are you interested in going deeper in your faith or deeper in your relationships? Let us know how we can help you find a group that's right for you. Fill out a "Welcome Card" and place it in the offering plate or in one of our mailboxes.

Your Small Group Coordinators,

David Dyck, Lois Konrad, Marvin Dueck, Alison Dyck

Fall Education Hour ... Begins September 13

We are looking forward to another exciting year in our Education Hour. Listed below are the electives that will be offered this Fall beginning Sunday, September 13. Classes run from 11:00-11:45am. Don't miss this opportunity to grow your faith and deepen your relationships with your church family.

1) The Challenge of Parenting Teacher - Victor Winter

Is there any of our life-tasks that is more challenging and more rewarding than being parents to our children? In this course we want to share our wisdom as we come together to talk about our parenting roles. We will use Dr. Gordon Neufeld's *Hold on to your Kids* as a resource. All parents are welcome! It promises to be a lively class...

2) Walking Together in the Word: Reading the Bible as Anabaptists

Teachers : David Dyck and Mike Williamson

In this class we will read the Bible together using our weekly scripture readings in the NIV Student Bible as our guide. The following questions will guide our discussion and application of the Biblical text.

How does this text help us to follow the great commandment of Jesus: **to love God and to love each other?**

What did this story mean to God's people when it was first written? What does it mean to them today?

How might an Anabaptist reading of this text be different from other Christians?

How does this text fit into the big story of God's work, saving the world and making all things new?

How does this passage whisper the name of Jesus? How does it anticipate his coming and his mission in the world?

What does this passage reveal to us about God; about ourselves; about sin and about salvation?

What don't we understand about this story text? What questions are left unanswered?

3) Biblical Mythbusters Teacher: Rudy Dyck

We often say and believe things and relate them to our faith, but how many are rooted in Scripture and how many are myths? Join us to discuss some common 'myths' such as "Everything Happens for a Reason", "All Religions are basically the Same", "The Bible is unreliable and can't be trusted" and more. We will discuss how these myths originated, how they relate to our faith and how we engage with people outside our faith.

Youth Class: Echo the Story - Genesis Teacher - Mike Williamson

From creation to the formation of the church, students will experience the biblical narrative through storytelling, creative reflection, and dialogue. The first six weeks we will explore the story of God and his people in the book of Genesis.
