Salvation Army News ...

During the summer months we see a steep decline in the food donations that are brought in. There has been a steady increase in numbers of households that we have been serving since the beginning of 2018. So far this year we have served an additional 67 New households who have visited the foodbank for a monthly hamper. We are experiencing shortages in products that we use to fill monthly hampers. Thank you for your help.

We are extremely low on

Joys & Concerns ...

Pray For ...

We are thankful for the **new church plant** already meeting in Korat (Thailand) and for the 13 new followers of Jesus. Please pray for these new disciples that they would grow in wisdom and courage to share their new-found faith with others in the community

Remembering Our Neighbours ...

It is good to remember that we are all part of the large Christian fellowship.

This week, please pray for the new churches in Leamington.

In an effort to foster community among the members of LUMC, the bulletin features a section for members to share their joys and concerns. We will remember to pray for these people in the coming week. Note: Names submitted must have the individual's consent.
