

Hey LUMC!

Want to get your hands dirty and help clean up?

Join an LUMC volunteer team on a **trip to Ottawa** to assist **Mennonite Disaster Services in cleaning up the flood zone.**

Help is needed:

- Gutting wet basements
- Clearing out crawlspaces
- General home cleanup
- Debris removal

The waters have stopped rising and we will have available clean-up dates soon.

Volunteers will either be hosted by the Constance Bay Community Center on air mattresses, or in some RVs, or at hotels in Arnprior at a discounted rate, Ottawa Mennonite Church may also be an option.

Volunteers will want to bring closed toed shoes, extra socks, durable clothing that can get dirty, and a re-useable water bottle.

Being that this is something of a road trip, **expect some fun** along the way!

Please pray that a team will come together to help our neighbours in Ottawa.
