## PRAYERS

Prayer for the Week from  
Stanley Hauerwas

- As the high days of Lent and Easter pass, and we settle into the long season of routine – let us pray to the God who is with and for us in the daily and ordinary fabric of our lives.
  - Thank You, God, for giving us ordinary lives.
  - We love the joy that comes from routine. The time you give us to eat breakfast, to come to class, to study, to go to work is wonderful.
  - Help us not to forget the terror that surrounds us as well as dwells within the routine.
  - I eat my bagel while some not far from me starve. I think I would have it otherwise, but I do not know how to have it otherwise. And in my helplessness I willfully forget the starving so I can enjoy my bagel.
  - Help us remember. Help us know how to share so that the nourishing routines of your kingdom may be known to all.  
Amen
- 

- This week give thanks for joys of life here in Leamington and all that we have been blessed with.
- Pray for God to speak into your routines and open your hearts up to a world that is in need of the nourishing routines of God's kingdom.
